6 The A C wants that the date for holding elections to the General Constituency may be fixed & that some day in the 2nd week of Dec^r 1928 may be fixed. It seems that a Convenient date may be fixed by A C himself & a Calendar drawn up by him for this and Special Constituency elections and intimation of this sent up to Govt.

7 Regarding the No of members to the Bangalore Taluk General Constituency, the proposal to have one for City Taluk and 2 for the other parts of the Taluk may be approved. It may not be desirable to have 2 for each, as no Taluk is given this right under the rules

22. Special Constituencies.- Six Associations are now enfranchised. The Deputy Commissioner has proposed to raise the number to 7. This is admissible as the General Constituencies are already authorised to elect 21 members (vide rule 3 of the District Boards' election Rules). At the last reconstitution it was not possible to enfranchise (1) the Mysore Chamber of Commerce, (2) the Bangalore Lawyers Association and (3) the White Field Settlers' Association. These will have to be also now enfranchised. These have been represented on the present District Board by nomination.

In this connection kind reference is invited to the later First Member's minutes in paras 28, 39, 40 and 71 of the notes of L.B. 62-26-Sls. 20, 31, 53, 72, 114, 131 & 199. At the ensuing reconstitution, the Vakkaligara Sangha has been ordered to be disenfranchised and the Chamber of Commerce enfranchised. If this is done and the additional seat to be created for Associations is given to the Bangalore Lawyers' Association, the White field Settlers' Association will have to be represented by nomination unless the Government consider it expedient not to recognise any other Association which is now enfranchised. As it is proposed to increase the number of members to be elected by the general constituency, it may perhaps be considered in this connection whether it is not expedient to restrict the representation through Associations only to the following:-

(1) Inamdars' Association.

(2) Chamber of Commerce.

(3) Lawyers' Bar Association, and

(4) Whitefield Settlers' Association.

If this is done, the representation, namely:- of the

have all to get in through general constituencies and such of them as do not secure representation by election may be nominated.

23. Ex-officio Members.- There ~~are~~ at present ~~two~~ one ex-officio member on the District Board namely ~~the Personal Assistant to the Deputy Commissioner &~~ the District Economic Officer. The Deputy Commissioner states that the Executive Engineer and the District Medical Officer ~~who~~ are entrusted with the duty of carrying out works on behalf of the District Board amounting to a large share of the Boards income and that the activities of the Education Department are of much interest to the Board both in the primary and secondary stages and that it would be a great advantage if the Revenue Sub Divisional Officers who are responsible for the working of Village Panchayet schemes are also made ~~ex~~ members of the Board. He proposes ~~that in lieu of the Personal Assistant to the Deputy Commissioner~~ that the 3 Sub-Divisional Officers, the Executive Engineer, the District Medical Officer and the District Educational Officer may be appointed as ex-officio members of the Board in addition to the District Economic Superintent.

the Dt. Medical Offr the Executive Engr and the Dt Board Offr may be appointed as members of the Board & and that

24. ~~Mr. Hiriannaiya~~, the Deputy Commissioner of the Bangalore District proposed at the time of the last constitution that the District Board may not have any Official Members as in the Madras Presidency. It was considered necessary to appoint the Personal Assistant in the case of Bangalore and the District Treasury Officer in the case of other Districts as ~~a~~ members of the

WD 01684—GPB—30,000—20-4-29

Serial No.

the District Boards. In the interests of Economic Superintendent ~~Superintendent~~ it was considered necessary to appoint the Economic Superintendent in all the Districts as an ex-officio Member. Subject to these exceptions, the recommendation ~~of Mr. Nicholson~~ was adopted. In these circumstances, it is not clear whether a change in the policy so recently adopted is necessary. It may also be considered whether the question may not be deferred till the majority of the District Boards themselves feel the necessity for the change and recommend it to Government.

25. In Government Order No. L/165-73 & 62-26-430 dated, the 18/21st Aug 1926 the question of appointing Sub Division Officers as members of District Boards has been reserved for consideration. Section 35 of the District Boards' Regulation provides for the attendance of certain officers at District Board meetings, for addressing the Board and for giving the necessary advice. Necessary instructions have been also issued in Government Order No. 165-73, Dated, the 18/21st Aug 1926. If these orders are not considered sufficient and that the revision of the policy in regard to the appointment of ex-officio members on the District Boards is necessary, the question may perhaps be decided after discussion at the meeting of the Officers during the ensuing Dasara.

26. Members elected by general constituencies. ~~total strength~~. The Deputy Commissioner proposes that each section of the Bangalore Taluk may elect 2 members and the remaining 9 Taluks 3 members each. Under the orders already issued the Bangalore Taluk was to elect 3 members as at present and the City Section of the

Taluk

WD 01684—GPB—30,000—20-4-29

Taluk has to elect one member. The Deputy Commissioner's proposal to give each Section 2 members may perhaps be approved. These Taluks return 2 members to the Representative Assembly. A similar proposal has been received from the Mysore District and has been submitted to the Second Member with a note that the proposal may be sanctioned. Similar increase in the election strength is necessary if the number of ex-officio members is to be increased.

27. Strength of the Board.- The Deputy Commissioner proposes that the total strength of the Board may be raised to 57. This is perhaps too unwieldy. In the Madras Presidency, the strength of the District Boards in 1926-27 ranged from 24 to 52 only, the average being 40. Vide page 34 of the report put up. Up-to-date information in this matter is not available. If the general constituencies are allowed to elect the number of members proposed by the Deputy Commissioner & the number of Associations to be enfranchised for representations is restricted to only 4, there will be 35 elected members. 17 Members may in this case be appointed by Government. Even after reserving 7 seats for ex-officio members there will be scope for the nomination of 10 Non-officials against 11 as at present. It is not necessary now to pass orders either as regards the total strength or as regards the number of ex-officios and nominated members. Orders have now to be passed as regards the exact number to be elected by the General Constituencies. The number to be elected by Special Constituencies may be decided after the lists of applications from the Associations are received from the Deputy Commissioner.

29) The total strength of the Board has to be fixed -- under Section 6 of the District Boards' Regulation fixing the elected number from general and Special constituencies and also the number of salaried servants and nominated members.

30) Under Section 5 the elected strength shall not be less than 2/3rds of the Board and the salaried strength shall not exceed 1/6th thereof, the balance 1/6th being made up of nominations.

31) Under Rule 3 of the Election Rules, Special Constituency members can be only 1/4th of the total ~~strength~~ elected strength.

32) It is, for orders whether the number for Rural -- Election should be fixed at 31 and the ex-officio at 7. As recommended by D.P.

33) ~~7~~ Special constituencies' election ~~are~~ is proposed. ~~The total elected strength would be 38 if 31 general and 7 special are sanctioned.~~ The Special constituency number will be in order as it will be less than 1/4th of the total elected strength of 38.

34) In this connection the point raised in para 22 of the ~~rules~~ hopes for disenfranchisement of Vokkaligar Association has to be considered. This may raise a controversy which it may perhaps be well to avoid. The increase in the Special Constituency seat may be given to the Chamber of Commerce and nomination may be given to

Deputy Commissioner,
Bangalore District.

To

B. Narayanaswami Iyengar, Esq., B.A., B.L.,
General Secretary to the Government of Mysore,
Bangalore.

Sir,

Subject:- Reconstitution of the District Board, Bangalore.

With reference to the Government Order No.L.5044/L.B.62-26-323 dated 29th January 1927, constituting the District Board, Bangalore as per the Mysore District Board Regulation III of 1926, the term of the Present Board expires on the 31st January 1930 and action has to be taken for reconstituting the Board in time. The whole programme in this connection depends more or less on the date of election, which should take place, at the latest before the end of December 1929. Hence, I would propose that the second week of December 1929 will be convenient and I request you to fix up a date so that a calendar may be drawn for guidance and strict adherence as regards the several stages of election.

2. In this connection, I also solicit clear orders of Government on the following points.-

(i) As per rule I of the election rules, issued by Government in their Notification No.L.1311-L.B.25-26-3 dated 21st August 1926, Bangalore Taluk, as a general constituency, has to elect three members. Since the last elections, the taluk has been bifurcated with Amildars for Bangalore City and Bangalore Taluk, their jurisdiction being confined to certain Hoblies. As the area of the Bangalore City jurisdiction is smaller, I would propose one member to the City Taluk and two to the other. Orders of Government are solicited as to whether the above proposal may stand or whether each jurisdiction being a specified revenue taluk (Rule I), should elect two members for the Board.

(ii) As regards enfranchisement of certain associations by

Governme

Government (Rule 2 ibid), on the recommendation of the Deputy Commissioner, instructions are solicited as to whether the Deputy Commissioner competent to publish notification in the Gazette, calling for applications from registered associations for recommendation to Government or whether the notification should issue from the Government. If the latter view is correct, I request you to kindly move the Government for issuing a notification limiting the period for receiving the applications by the Deputy Commissioner to the end of August 1929.

3. As early action has to be taken re. the above, I request you to kindly obtain early orders of Government on each point raised in this letter.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.

General Secretary to the Government
of Mysore, Bangalore.

GEN. L 1303
13 SEPT. 1929
L. S. G. BRANCH

SIR,

Subject:— Re. Reconstitution of the District Board, Bangalore.

With reference to the correspondence ending with your letter No. L.1180/L.B.30-29 dated 13th August 1929, communicating the orders of Government that the District can return 21 members for the General Constituency of the District Board, I have the honour to submit herewith revised proposals re. the above for consideration and orders of Government at an early date.

2. As the District Board is at present constituted it has not on its membership the Executive Engineer, the District Medical Officer and the District Educational Officer. The first two officers are entrusted with the duty of carrying out works on behalf of the District Board amounting to a large share of the Board's income. The activities of the Educational Department are of much interest to the Board, both in the Primary and Secondary stages. It will be a great advantage if the Revenue Sub Divisional Officers who are responsible for the working of the village Panchayet scheme are made members of the Board. If more ex-officio members are to be allowed, the number of elected members must be increased. The present constitution of the District Board is as noted in the margin.

Elected.-			
General Constituency.	20		
Special Constituency.	6	--	26.
Nominated.-			
Non-Official	12		
Ex-Officio.	1	--	13
Total.			39

3. The addition of six more ex-officio members (thus bringing the total to seven) can be effected either by reducing the present strength of the non-official nominated members or by increasing the elected strength proportionately so that the provisions of Section 5(3) of the District Board Regulation III of 1926 may not be transgressed.

4. The

Statement showing strength of the Bangalore District Board.

Members.	As existing No.	As proposed by District Board. No.	As proposed by the Member. No.
a) Elected :—			
i General Constituency.	20	31	22
ii Special Constituency.	6	7	7
b) Nominated	12	12	7
c) Ex-officio	7	7	7
Total.	39	57	43

If the number elected by General Constituencies is 22, Special constituencies may elect up to 7 members. There will be 29 elected members and so the total number of ex-officio and nominated members must not exceed 14. Of these, all or any may be nominated, ~~provided~~ but the number of ex-officio members, ~~if any does not~~ cannot exceed 7.
